

## ZABOK, 19.-21.06.2015

Croatian table soccer association(CTSA) proudly presents the ITSF Pro Tour international table soccer tournament – the second of a three part Balkan Cup. The results you achieve in the tournament will add to your international ITSF ranking and will bring points in the season 2015 of the Croatian national league.

### Balkan Cup

The Balkan Cup is a series of three ITSF Pro Tour tournaments: the first was held in Slovenia in March, the second will be held now (in June) in Croatia, and the last, final tournament, will be organized in Serbia in September. The Balkan Cup is a result of joint efforts of Slovenian, Croatian and Serbian table soccer federations to stage an event that will become internationally recognized and appreciated and will establish the countries' place on the world table soccer map.

### **Champions League**

Champions League is a special discipline of the Balkan Cup that will be held in Serbia as a part of the third and final tournament of the series. Four players with the most points on the Balkan Cup ranking will each have the honor to form a team of four players and will have an opportunity to win the main prize of the event – Roberto Sport Adrenaline table! If a country (Croatia, Serbia or Slovenia) does not have any representatives in the TOP 4, then the top player from that country (by points won in the Balkan Cup) will also be given the right to form a team and take part in the Champions League.
